

NOW HIRING! **RECREATION PROGRAM COUNSELORS**

The Bridge Center specializes in year-round therapeutic recreation and equine-assisted therapy programs for individuals with disabilities and we are looking to add members to our team!

Recreation Counselors provide direct support for campers with disabilities and are responsible for ensuring that our children have a safe, fun and rewarding time while participating in weekend recreation programs at The Bridge Center. Counselors support campers through their daily activity schedule while encouraging and empowering them to participate in activities such as sports, cooking, music, arts, and more!

Primary Duties & Responsibilities

- Ability and desire to work with individuals with disabilities in an outdoor setting where “campers come first”.
- Ability and desire to work with persons of all ages, ability levels, and backgrounds in a dynamic outdoor environment which values growth and change of self and others.
- Provide daily support to one or multiple campers with disabilities including activities of daily living and facilitating friendships.
- Consistently communicate with counselors, instructors, and parents regarding camper’s daily experiences.
- Responsible for utilizing visual schedules, communication boards, positive behavior plans and other child specific throughout the day.
- Enforce rules, regulations, and policies to assure the safety of all children in attendance.
- Build relationships with campers to foster friendly, supportive and nurturing group dynamics
- Prepare daily write-ups for each camper in your care for review by group leaders.

Work Schedule:

- Saturdays: 9:45-3:15pm ****Start September 7th, 2019****
 - Additional Work Opportunities:
 - Columbus Day Camp: Monday, October 14th, 8:45-3:15pm
 - Veteran’s Day Camp: Monday, November 11th, 8:45-3:15pm
 - Summer Camp 2020

RECOMMENDED MINIMUM QUALIFICATIONS

1. Must be 16+ years of age
2. Must complete and pass CORI/SORI/NSOPW
3. First-Aid/CPR Certified
3. Interest in psychology, early childhood education, special education, elementary education, occupational therapy, physical therapy, communication disorders, and other related fields.
